Sir:

In compliance with 37 C.F.R. § 1.56, the art listed and identified on the attached PTO form is being submitted herewith for consideration by the Examiner. A copy of each of the listed references is included herewith.

It is Applicant's opinion that the claims presently on file patentably distinguish the present invention from each of these references. The above references are being cited only in the interests of candor and without any admission that they constitute statutory prior art or contain matter which anticipates the invention or which would render the same obvious, either singly or in combination, to a person of ordinary skill in the art.

Applicant submits this Supplemental Disclosure Statement in response to the Office Action mailed October 25, 2004 and believes that there is no fee due at this time as it is satisfying the rejections set forth in the Office Action. However, the Commissioner is authorized to charge any additional fees, which may be required, or credit any overpayment, to Deposit Account No. 50-0476 in the name of John A. Artz, P.C.

Respectfully submitted,
